PB 2050 is just beginning

PB 2050 in 2017

We held more than **70 meetings** with Members of Parliament, Ministers, State Secretaries as well as civil servants.

We presented our positions at nearly **20 events with hundreds of participants**.

We organized **deep-dive educational events** for civil servants, released **newsletters** for our members and appeared on **television, in print** and **online media**.

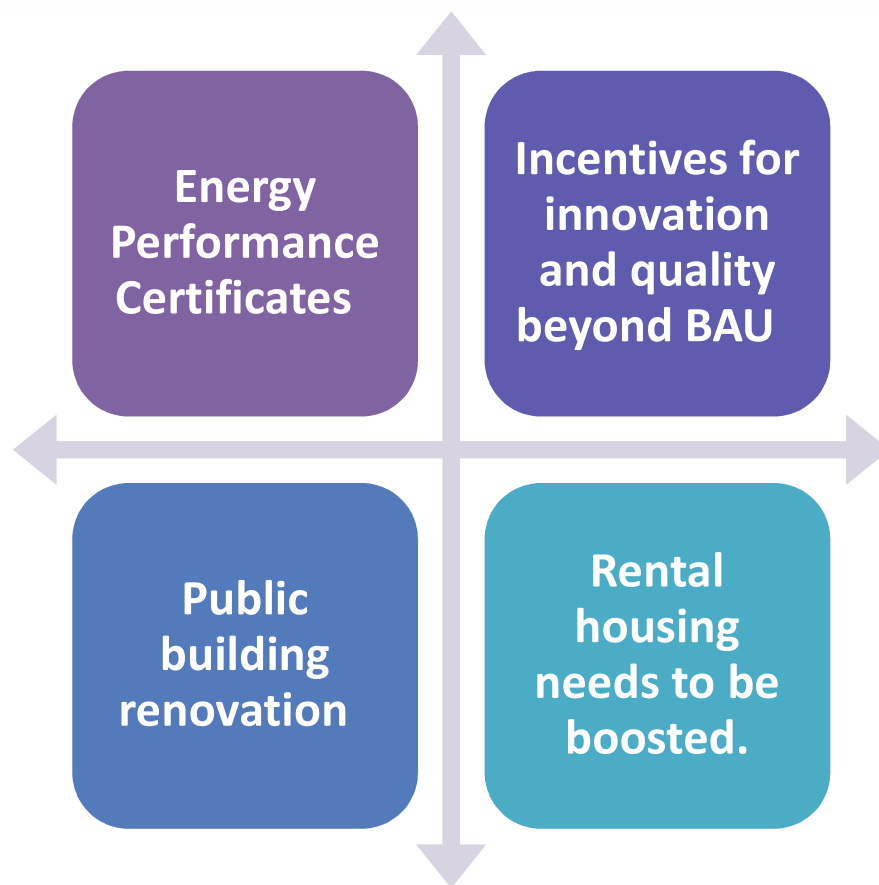

Discuss,meet and focus

BUILDINGS FOR THE VISEGRAD FUTURE

Lessons learned:

Capacity building

- Less is more/Very concrete
- Bring solution
- Participation/Stakeholders
- Proper timing
- Change perspective
